CAUCASIAN FRIENDS!

Hear Us a Moment!

After the 1st of January, the new postal law compells us to pay postage, We're glad to furnish you a paper slaughter. Every breeze is bardennonness Good. But me can't afford outraged. Every newspaper press should hate to part with one of you pailed the very fiends of a genera stary, every name that is not paid up in loathful at heart, of being ever but once, or give us your hand and say alogues expanded, to accommodate

friends of Heury Clay Dean urge his election to the senate, as a general' compromise all around. They say it would not involve any change of Schurz "- But it would spoil

How would you like to live in county whose officers' were piggers. each baying against him an indict-Just this have the people of Vieles burg endured for two years. W are not surprised at a little blood letting.

Give the devil his dues - though i involve a miguty singeing of respeciable, even saintly eye brows Hurrab for Kelley and Beast Butler They seem to be the only men i congress who realize the bottomle depths of national rule and wee that yawn beneath the insane cor traction policy of Grant and hi bondbolding brother pirates.

Grant and Bristow, the one in h ignoramus message and the other is his treasury report, join in carnesti recommending a speedy return t specie payments; - but, strangels enough, these eminent pundits tail t enggest when or how it is to be done A few rays of their profound lumin onity upon these points, would have amazingly enhanced our benighted

According to the St. Louis Dem ocrat, it stands 8,000 whites to 19, 000 blacks in Warren county, Miss issippi, and yet the poor nigger in great danger and there is necess ty of Federal intervention. Now i a good time for Ben. Butler to raise treops in Massachusetts to put down the rebellion against his nigger loving son-in-law, Ames, in Missis

"The government" has stopped the prosecution of the safe-burglars. White Harrington and Williams As they are bosom friends of the natoo painful to have them penitentiaried and leave him out in the colto bewail their untimely fate. Go it, ye villains. Its your dogs' day now. But a hanging time will come. Mind that.

The ex-cannibal, Kalakaus, who is touring the U. S., passed through Chiesgo, one day this week. He intended to stop and investigate the Petter-Palmer and Fred. Grant row : but took a severe apron-misery from eating a piece of the average Garden-City dog-sausage, and with a paregorie bottle to his nose, passed on to see his less civilized brother potentate, Ulysses.

er perish.

BLACK AND WHITE.

The War at Vicksburg

able old alcer of the South has bro-

The Caucasian, with propheti prescience, said long before the elec tion, that defeat wouldn't kill Gen try, as it did Greeley. We were right, as neual, though we don't know whether the venerable head coss of Tadpolery isn't worse off than if he were dead. He's just got married. He annexed her yesterday, and started on a honeymounation scout to Kansas, by way of St. Louis. Thus he seeks to soothe the woes of politics, on the home-opathic with a population of 8,000 whites never will be railroads. You have principle of "similia similibus," by the worser woes of matrimony. He and 19,000 niggers, "elected" a a right to know. Its never too late perhaps has the advantage—or dis secondrely black vagabond named to acquire such information, so long perhaps has the advantage-or dis advantage-of Hardin after all. He woman is better—more honorable, of all law and common decency, h. because more difficult — than to govern a state. Good for Gentry!— thieves' carnival began. For two or Bad for Gentry! The result will show which.

In the overwhelming mass of less by state and nation, they found Messagic stupidity, which encumbers our outside pages this week, the sal bankraptcy and ruin. In self-who could neither be bought, \$50,000-a-year Galena tan-yard toad-defence, Tax-Payers' Associations wheedled nor intimidated, could do Messagic studiaity, which encumbers themselves face to face with universtool, sprung in a night from obscur- were formed. Several of the nigger a gigantic work for the public weal. ity and fith, complacently asserts county officials were indicted for But, whatever the plan adopted, let that the government must have more forgery, embezzlement and stealing the investigation be made deep, money, and taxes must be increased of records. Grosby only assented by money, and taxes must be increased of records. Crosby only escaped by Let there be light! or expenses lessened. Which, oh! packing the nigger jury. No relief ye groaning Issachars, shall it be? could be expected from the infamous tax-lists; over-had your mortgages masse to the court-house, and de the Republican party, the Interand deeds of trust; examine your maded the resignation of the black. Ucean or the president and secretaendless and incomputable array of unded pirates. All fled but Crosby, ry of the treasury?" We are not

blood-thirsty barbarians," and call-The flood-gates of perdition see ing on the niggers to rally to his aid. to have burst loose upon this hapless Monday morning, the country was land. A deluge of iniquity, deep, swarming with armed savages. The black and borrible, surges and roars roads to the city were blockaded. across the continent. From Maine Bells rang out the alarm. Business to Mexico, billows of Pandemonhouses were closed. And war's grim um's lava lake dush their ebon spray reveiry began. Fights occurred against vast mountain crags of sin. Tuesday afternoon, on Grove street, Never since the first-born of mortal in the edge of the city, and on the race became a fratricide beneath the Hall's Ferry road, in which one or seraph-guarded walls of Paradise, two citizens were killed; but the inhas the sickened and groaning earth vading Africans were routed with a beheld such a carnival of wickedness loss of about 20 killed, several and shame. Every sod of haif a wounded, and 25 or 30 prisoners. hemisphere recks with the blood of During the day, a funeral procession was fired on by the niggers, and one ed with the wail of the wronged and white man wounded; the fire was returned by the mournful cortege, in all our wide domain staggers beneath its daily record of enormities and three niggers hilled. Teesday night, forty whites encountered sevand atrocities that would have aperal bundred niggers at Suyder's Binff, ten miles from the city. A tion ago. The winged lightnings courier was sent back for reinfo themselves have grown weary and ments, which moved to the front at double-quick. In the skirmish that ensued, the whites lost I killed and infamy. Hell's ponderous registers I wounded, and the niggers fled leavhave been enlarged, and her foul cating 4 dead and 3 wounded. A number of slight brushes all around the ur demoniacally ingenious advances edge of the city, salivened the night; and Vicksburg, once more besieged others had no names, now flaunt recalled faint memories of mule-beef bemselves, in open day, on all our treets, in all our high and holy and 62. The excitement has now subsided. Only an occasional strag piaces. Matricide, patricide, fratrigling shot disturbs the silence of the eide, seroricide, infanticide and suiamed Walnut Hills. Crosby's reseide, abduction, seduction, robbery, ignation has been accepted by the arson and ravishment, embezziement, board of supervisors. The stolen swindling, riot and massacre, public county records have been found unand private pillage, salary-grabe der the house of the nigger chancery railroad-bond piracies and every elerk, Davenport; and the discovery berningting which the flame racked learly establishes the fact that asgunation of man or devil can every one of the county officials has meerye-these, these, beinous, terseen guilty of crimes enough to itile, soul-sickening, are the eversend him, in any civilraed land, to whirling figures in our mad dance to estruction ;-and preachers, goverors, senators, chief-ju-lices and December 17, and go through the residents set the examples and lead nockery of investigation. And the he way. Assassination has become possard of reconstruction, eatrap celimated. Suburbs of Kansas City.

Last Saturday afternoon, five armed and masked men, mounted on line bay horses, rode up to the little station of on the Kansas Pacific railroad, and cooli began preparations to stop the approx ing passenger train. They laid a number of ties across the track; and, when the stepped forward, pulled of a red soarf and signaled the engineer to stop. The moment he did so, two of the men ed the express car, one mounted the toco motive, and the other two stood guard. Several shots were fired by them, simply for intimidational purposes. No real re-sistance was offered. The train was loaded with passengers, a hundred of whom were probably armed; but not a fellow dared to poke his bead out of a window. The baggage and express cars were uncoupled from the rest of the realwere uncoupled from the rest of the train, and the engineer, with a revolver at his

were uncoupled from the rest of the train, and the engineer, with a revolver at his head, was compelled to run some distance down the road, leaving the passenger conches, sitting still and helpless, behind. The two marqueraiders in the express car clapped a couple of Colt's large-sized and intallible peranders to the head of the messenger. Frank Webster, and forced him to throw open his safe. They seized \$30,000 in gold and currency, which was in charge of Wells, Fargo & Co.'s Express, for Kountze Bros., New York, the Maxtin Bank and Bullene, Moores & Emery, of Kansas City, and others. It was easily and politicly done. The booty furnished the enterprising quintet of truly western speculators, \$6,000 aplece, and they courteously said that would do. They then kindly informed Conductor Brinkerhoff that he could couple-up and go on; and he did so, having lost only 20 minutes, which time was easily unde-up before reaching Kansas City, the conductor Brinkerhoff that he could couple up and go on; and he did so, having lost only 20 minutes, which time was easily made-up before reaching Kansas City. inutes, which time was easily mad before reaching Kansas City, thus avoiding any inconvenience or mi Not a passenger was touched, but the panic was fearful. The robbers threw their bag of funds—just as honestly carned as the riches of many a highly distinguished political leader and railroad job manipulator—scross one of their horses, and quietly rode off toward Indi-ao Territory. And now behold the conthat they had never been mixed up in any trast between Kanass and Missouri: -- Govmor Osborn already has a company o George Arthur Throckmorton, a native of Kentucky, was lately married in Bra- worth, and numerous volunteer parties is hot pursuit of the daring
